## RENEWAL OF VOWS

Symbolic weddings and Renewal of Vows ceremonies are non-legally binding.

This will allow the freedom for each couple to create a unique celebration to suit their own particular requirements.

Cyprus Wedding Celebrations do not require a marriage certificate for the non-religious renewal of vows.

- This is a non - legal binding, nor religious ceremony and therefore suitable for those who wish to renew their vows.
- You will not have to present your marriage certificate.
- The duration of the ceremony is 30 – 45 minutes during which you exchange rings, have readings, a poem or a piece of music (*if the venue is suitable*), express your personal vows and finalizing the service by signing the Renewal of Vows Certificate or Symbolic Wedding Certificate.
- Each ceremony is unique to you, but we do rely on you to have your own strong input of the content. We will work closely with you in order to create a meaningful ceremony that is special for you and your family.
- we have developed a questionnaire to be completed individually which helps us in creating the ceremony.
- Unlike civil ceremonies you can have witnesses of all ages to sign the certificate.
- A ceremony is composed of a number of elements which allow you to create something personal and very special
  - introduction and welcome
  - mention of any children
  - readings of poetry or similar
  - choice of music
  - renewal of vows/making of promises
  - exchange of new rings or re-dedication of original rings
  - presentation of certificate
  - closing words
